

Appendix 1: Questionnaire - Set 1

HEALTH RELATED QUALITY OF LIFE QUESTIONNAIRE FOR PRIMARY HYPERHIDROSIS

Demographic Details			
RN			
Name			
I/C No.			
Age			
Gender	<input type="checkbox"/> Male <input type="checkbox"/> Female		
Race	<input type="checkbox"/> Malay <input type="checkbox"/> Chinese <input type="checkbox"/> Indian <input type="checkbox"/> Others		
Occupation			
Date of Operation			
Date of Discharge			
Date of Follow Up			
Date of Last Follow Up			

A. The questions below are focused on your main presenting complaint including its severity. Please tick (X) your answer in the corresponding box where appropriate.

The definition of the severity is given below:

- **None** – not having any problems
- **Mild:** aware of increase in sweating and sought medical treatment but did not have to take any social precautions and had no lifestyle impact
- **Moderate:** had to take social precautions, such as providing an extra shirt in axillary hyperhidrosis or having to constantly hold a small hand towel in palmar hyperhidrosis, but with no lifestyle impact
- **Severe:** not only took social precautions but had a major impact on lifestyle, such as avoiding social functions, change of job and emotional strain

Primary Hyperhidrosis

1. Where is/are the location(s) of your main presenting complaint?

- Face, and
- Axilla, and
- Palms, and
- Soles

2. For each of the locations you mentioned above, please rate the severity of the symptoms.

Face: None
 Mild
 Moderate
 Severe

Axilla: None
 Mild
 Moderate
 Severe

Palms: None
 Mild
 Moderate
 Severe

Soles: None
 Mild
 Moderate
 Severe

B. The questions below are focused on RECURRENCE of primary hyperhidrosis. Please tick (X) your answer in the corresponding box where appropriate.

(RECURRENCE means similar occurrence of symptoms at the SAME site[s] of complaint after surgery)

1. Do you experience any recurrences of your main presenting complaint?

Yes No **(If NO, please proceed to part C)**

2. If **YES**, where is/are the location(s)?

- Face, and
- Axilla, and
- Palms, and
- Soles

3. If **YES**, when was the first time you noticed the recurrence?

- | | |
|--|--|
| <input type="checkbox"/> 1 week after surgery | <input type="checkbox"/> more than 2 months after surgery |
| <input type="checkbox"/> 2 weeks after surgery | <input type="checkbox"/> more than 3 months after surgery |
| <input type="checkbox"/> 3 weeks after surgery | <input type="checkbox"/> more than 4 months after surgery |
| <input type="checkbox"/> 4 weeks after surgery | <input type="checkbox"/> more than 5 months after surgery |
| <input type="checkbox"/> 5 weeks after surgery | <input type="checkbox"/> more than 6 months after surgery |
| <input type="checkbox"/> 6 weeks after surgery | <input type="checkbox"/> between 7 months and 1 year after surgery |
| <input type="checkbox"/> 7 weeks after surgery | <input type="checkbox"/> between 1 year and 2 years after surgery |
| <input type="checkbox"/> 8 weeks after surgery | <input type="checkbox"/> more than 2 years after surgery |

C. The questions below are focused on COMPENSATORY SWEATING and its severity. Please tick (X) your answer in the corresponding box where appropriate.

(COMPENSATORY SWEATING means occurrence of similar symptoms at DIFFERENT site[s] than the initial complaint before surgery)

1. Do you experience new excessive sweating apart from the main location(s) you mentioned above in part A after surgery?

Yes No **(If NO, you do not have to proceed)**

2. If **YES**, where is/are the new location(s)?

- Face, and
- Axilla, and
- Palms, and
- Trunk, and
- Abdomen/Groin, and

- Lower limbs, and
- Soles, and
- Gustatory sweating (Facial sweating after ingesting food)

3. When was the first time you experienced the new excessive sweating?

- 1 week after surgery
- 2 weeks after surgery
- 3 weeks after surgery
- 4 weeks after surgery
- 5 weeks after surgery
- 6 weeks after surgery
- between 6 weeks and 8 weeks after surgery
- between 2 months and 6 months after surgery
- more than 6 months after surgery

4. How long was the duration of your new excessive sweating?

- | | | |
|----------------------------------|-----------------------------------|--|
| <input type="checkbox"/> 1 week | <input type="checkbox"/> 2 months | <input type="checkbox"/> 6 months |
| <input type="checkbox"/> 2 weeks | <input type="checkbox"/> 3 months | <input type="checkbox"/> 7 months – 1 year |
| <input type="checkbox"/> 3 weeks | <input type="checkbox"/> 4 months | <input type="checkbox"/> more than 1 year |
| <input type="checkbox"/> 4 weeks | <input type="checkbox"/> 5 months | |

5. For each of the new locations you mentioned above, please rate the severity of symptoms.

- Face:
- None
 - Mild
 - Moderate
 - Severe

- Axilla:
- None
 - Mild
 - Moderate
 - Severe

- Palms:
- None
 - Mild
 - Moderate
 - Severe

- Trunk:
- None
 - Mild
 - Moderate
 - Severe

Abdomen/Groin: None
 Mild
 Moderate
 Severe

Lower limbs: None
 Mild
 Moderate
 Severe

Soles: None
 Mild
 Moderate
 Severe

Gustatory sweating: None
 Mild
 Moderate
 Severe
